Description: Nukkad Natak on Drug Abuse Awareness.

Comprehensive report on the successful execution of the "Drug Abuse Awareness Nukkad Natak" event organized by the 8 UP girls BN NCC of Invertis university on 18 May 2022 at 11am reached at Rajau. This event was aimed at creating awareness about the pressing issue of drug abuse among students and the broader community.

Dedicated NCC cadets from our unit actively participated in this event. A total of 50 cadets passionately engaged in the Nukkad Natak, playing various roles and characters.

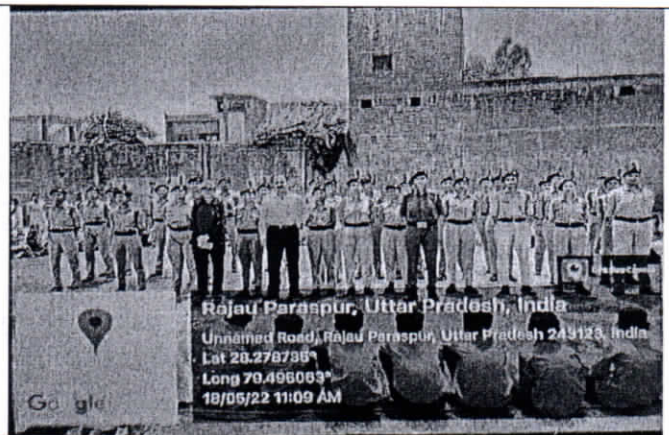

The Nukkad Natak aimed to convey vital messages related to drug abuse, including:

- The consequences of drug addiction on health and life.
- The importance of seeking help and rehabilitation.
- The role of family and friends in supporting those affected.
- Promoting a drug-free and healthy lifestyle.

The Nukkad Natak comprised 2 acts, each designed to address different aspects of drug abuse. Cadets had undergone rigorous rehearsals, resulting in impactful performances that resonated with the audience. The use of powerful dialogues, relatable scenarios, and vivid props effectively communicated the severity of the issue.
