Technophillia 2023: Invertis University's Epic Technical Fest Unveiled

Invertis University, Bareilly - January 9, 2023 - Invertis University is excited to announce 'Technophillia 2023,' an exhilarating technical fest organized by The Technical Club - I Tech. Scheduled for January 9, 2023, at the Main Auditorium, this event promises to showcase innovation, creativity, and technical brilliance.

Technophillia 2023 will bring together bright minds to partake in a series of competitions, workshops, and seminars across various technical domains. It aims to foster a spirit of ingenuity, critical thinking, and collaboration among participants, highlighting the ever-evolving world of technology.

Attendees can anticipate an engaging day filled with tech talks, hands-on experiences, and insightful discussions, making Technophillia 2023 a mustattend event for technology enthusiasts and students.
