

Invertis University's Department of Biotechnology Hosts Enchanting "Disneyland" Freshers' Party

On September 2, 2018, Invertis University's Department of Biotechnology presented the delightful "Disneyland" freshers' party at Seminar Hall 2. The event, organized by the university, welcomed new students with an immersive experience inspired by the magic of Disney.

"Disneyland" transformed Seminar Hall 2 into a captivating space, fostering an atmosphere of camaraderie and excitement. The event offered incoming students an array of engaging activities, promoting interaction and bonding among peers and faculty members.

The Department of Biotechnology's initiative showcased the university's commitment to providing a welcoming and inclusive environment for new students. "Disneyland" marked the beginning of an exciting academic journey within the realm of biotechnology studies at Invertis University.
