

Name of the Cell/Department: The Responsible Invertian Club

Academic year: 2020-21

Name of Event: Plastic free campus Drive

Date: 5 June 2020

Venue: Invertis University, Bareilly

Description:

The Responsible Invertian club organized a 'Plastic free campus drive' on Environment Day i.e. 5th June 2020 in campus for the students and employees of University. The objective of the event was to eliminate single use plastics across the campus. The program encouraged responsible waste disposal and recycling efforts across the campus. This included the removal of plastic utensils, containers, and straws, which were replaced with eco-friendly alternatives such as compostable or reusable materials. Students conducted awareness campaigns, clean-up events, and educational programs to engage the campus community and promote sustainability. The university plans to continue its commitment to reducing plastic waste, supporting research in sustainable materials, and further engaging students and the community in environmentally responsible practices.
