Ref No.: IU/ABHI19/0052

This is to inform you all that the Responsible Invertial Club will be organizing an **Eco-friendly Diwali Awareness** rally on the 18th of October to spread awareness about the harms done to the environment due to crackers and firworks. The main objective is to educate our community members to celebrate diwali responsibly without hurting the environment. Students are requested to kindly make creative Banners and pamphelets for the rally.

All the interested students can give their names to the Abhiruchi Coordinator by 15th of October .

In case of any doubt kindly contact the Abhiruchi Office.
