

Name of the Cell/Department: The Responsible Invertian Club, Invertis University

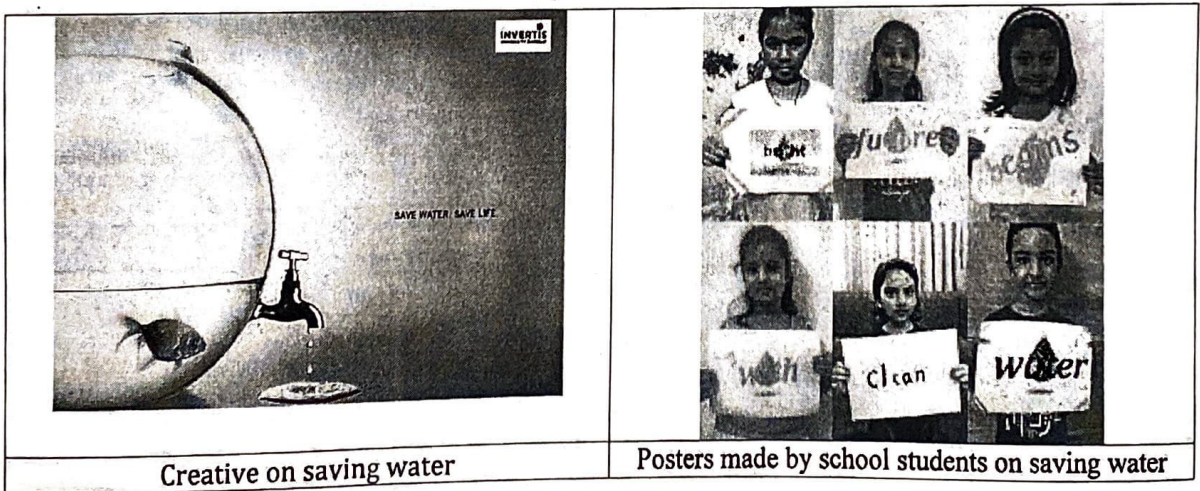

Academic year: 2022-23

Name of Event: WATER CONSERVATION CAMPAIGN

Date: 15 June 2022

Venue: Invertis University, Bareilly

Description: The Responsible Invertian club have organized one day save water awareness campaign in order to aware people of Bareilly regarding water preservation. The main objective of the event is to ensure survival and improved outcomes for every child with safe and secure drinking water for all. A safe water supply is the backbone of a healthy economy, yet is woefully under prioritized, globally. It is estimated that waterborne diseases have an economic burden of approximately USD 600 million a year in India. Students and faculties went into nearby areas to create awareness of the importance of saving water to cope with its scarcity and to ensure sustainability stressing the benefits of water conservation and different water conservation methods.
