Name of Event: Date: 03rd April 2019

Description: The Department of Fashion Design organized an exhibition **Reclaimed Threads: Where Creativity meets Sustainability** on the 3rd of April. With a focus on up cycling, repurposing, and eco-friendly practices, Reclaimed Threads aims to bring change in the way fashion is viewed by people all around by showcasing the limitless possibilities of sustainable fashion. The students made items of home decor, clothing and fashion accessories using old and used material. The exhibition was a show against fast fashion and its poor effects on the environment.
