**Press Note**

**Name of the Program:** Faculty Orientation Programme

**Date:** 18-08-20

In light of the ongoing COVID measures, Invertis University conducted an online faculty orientation program on August 18, 2020, to warmly welcome the incoming faculty members. The primary objective of the event was to familiarize the faculty with the university's resources, campus, staff, and administration. The program featured esteemed guests, including Dr. Y. D. S. Arya, the Honorable Vice Chancellor, Dr. Umesh Gautam, the Honorable Chancellor, and the deans of various departments within the university. A total of 144 individuals participated in the online event. Dr. Umesh Gautam, the Honorable Chancellor, commenced the program by extending a warm welcome to the incoming faculty members and encouraging them to embrace the academic opportunities that lie ahead. He emphasized the importance of perseverance, hard work, and dedication in achieving both academic and personal goals. Following Dr. Gautam's address, Dr. Y. D. S. Arya, the Honorable Vice Chancellor, took the virtual stage to introduce the new faculty members to the university's vision, mission, and values. The deans of the university's diverse departments then delivered presentations, providing insights into their respective disciplines, course offerings, and potential career prospects. To facilitate familiarization with the campus and its resources, a virtual campus tour was organized. During this tour, the students were virtually guided through various facilities, such as the library, laboratories, sports complex, cafeteria, and hostels. This immersive experience aimed to enhance the students' understanding of the campus and its available resources, while also offering them a glimpse into university life.
