**Description:** It was not possible for everyone who can come and take clothes from wall of humanity so RI decided to distribute clothes in different location, where people need RI services. JED village was one of unprivileged village near bareilly so RI went there and distributed approximately 550 clothes.

Then we have decided to visit Munshi Nagar where a fire accident collapses the temporary houses of poor people. It was quite motivating for them when some like RI visit and distribute Clothes, Food, medicines etc. We use to visit munshi nagar so long as they need us.
