Press Note

Name of the Program: Faculty Orientation Programme

Date: 08-08-22

Invertis University orchestrated an enlightening faculty orientation program on August 08th, 2022, held at the main auditorium on campus. The primary objective was to immerse new faculty members in the university's ecosystem, acquainting them with its facilities, academic community, and available resources. Esteemed dignitaries graced the event, including Dr. Umesh Gautam, the Honorable Chancellor, Dr. Y. D. S. Arya, the Honorable Vice Chancellor, and various departmental deans. An impressive turnout of 255 participants attended this significant occasion. Dr. Umesh Gautam set the tone with an inaugural address, extending a warm welcome to the faculty newcomers. He urged them to embrace the upcoming academic opportunities, highlighting qualities such as diligence and determination as cornerstones of success. Dr. Y. D. S. Arya followed suit, introducing the university's overarching vision and mission. The program featured enlightening presentations by departmental deans, offering profound insights into their respective academic domains. This platform illuminated the array of courses and potential career trajectories, providing valuable information to the new faculty members. A comprehensive campus tour rounded off the orientation, offering a firsthand experience of the university's facilities.

Name of the Cell/Department: Faculty of Engineering and Technology
Academic year: 2022-23
Name of the program: One day webinar on "Navigating Quality Challenges in Education"
Date: 07 April 2023
Venue: Google Meet
Description:

The Faculty of Engineering and Technology at Invertis University, Bareilly, organized a highly informative and engaging one-day webinar on the topic of "Navigating Quality Challenges in Education" on April 7, 2023. The event was attended by educators, researchers, and administrators from various educational institutions, fostering a rich exchange of ideas and insights.

Dr. Kishore Shende, a distinguished academician, and Information Officer at Barkatullah University, delivered a thought-provoking keynote address. He provided a comprehensive overview of the challenges and opportunities in the realm of education quality. The webinar featured interactive discussions where participants actively engaged with Dr. Shende. These discussions covered a broad spectrum of topics, including the role of technology, accreditation processes, and innovative teaching methodologies.

A total of 130 participants benefited from this event. The list of programs included in this event was inaugural session, talks by guest speakers, Q&A session summarization, concluding remarks, valedictory session and vote of thanks. At the end of the program the convenor has taken the feedback from the participants and the key takeaways from the feedbacks are participants found the practical solutions and best practices shared by educators and professionals to be particularly beneficial. They noted that these real-world examples could be applied in their own educational institutions. Feedback indicated that the topics discussed were highly relevant to the current challenges faced by educational institutions. Participants felt that the webinar addressed critical issues in education quality.

Name of the Cell/Department: IQAC Cell

Academic year: 2022-23

Name of the program: Webinar on "Pathways to Quality Assurance"

Date: 21 November 2022

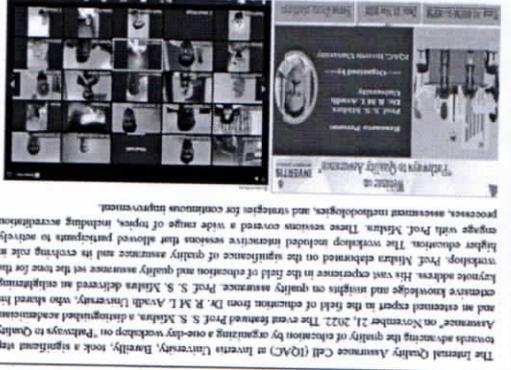

Venue: Seminar Hall-1

Description:

The Internal Quality Assurance Cell (IQAC) at Invertis University, Bareilly, took a significant step towards advancing the quality of education by organizing a one-day workshop on "Pathways to Quality Assurance" on November 21, 2022. The event featured Prof. S. S. Mishra, a distinguished academician, and an esteemed expert in the field of education from Dr. R. M. L. Avadh University, who shared his extensive knowledge and insights on quality assurance.

Prof. S. S. Mishra delivered an enlightening keynote address. His vast experience in the field of education and quality assurance set the tone for the workshop. Prof. Mishra elaborated on the significance of quality assurance and its evolving role in higher education. The workshop included interactive sessions that allowed participants to actively engage with Prof. Mishra. These sessions covered a wide range of topics, including accreditation processes, assessment methodologies, and strategies for continuous improvement.

A total of 120 participants benefited from this event. The list of programs included in this event was inaugural session, talks by guest speakers, Q&A session summarization, concluding remarks, valedictory session, and vote of thanks. At the end of the program the convenor has taken the feedback from the participants and the key takeaways from the feedbacks are: Participants expressed that the workshop significantly enhanced their understanding of quality assurance in education. They noted that Prof. S. S. Mishra's insights were instrumental in clarifying complex concepts. Feedback highlighted the practicality of the strategies and best practices shared during the workshop. Attendees found these actionable takeaways valuable for implementing quality assurance measures at their institutions. Many participants emphasized the relevance of the workshop's content to the current challenges faced by educational institutions. They felt that the discussions addressed critical issues in quality assurance.

Name of the Cell/Department: IQAC cell
 Academic year: 2021-22
 Name of the program: Workshop on "Strategies for Institutional Excellence"
 Date: 06 September 2022
 Venue: Seminar Hall-1

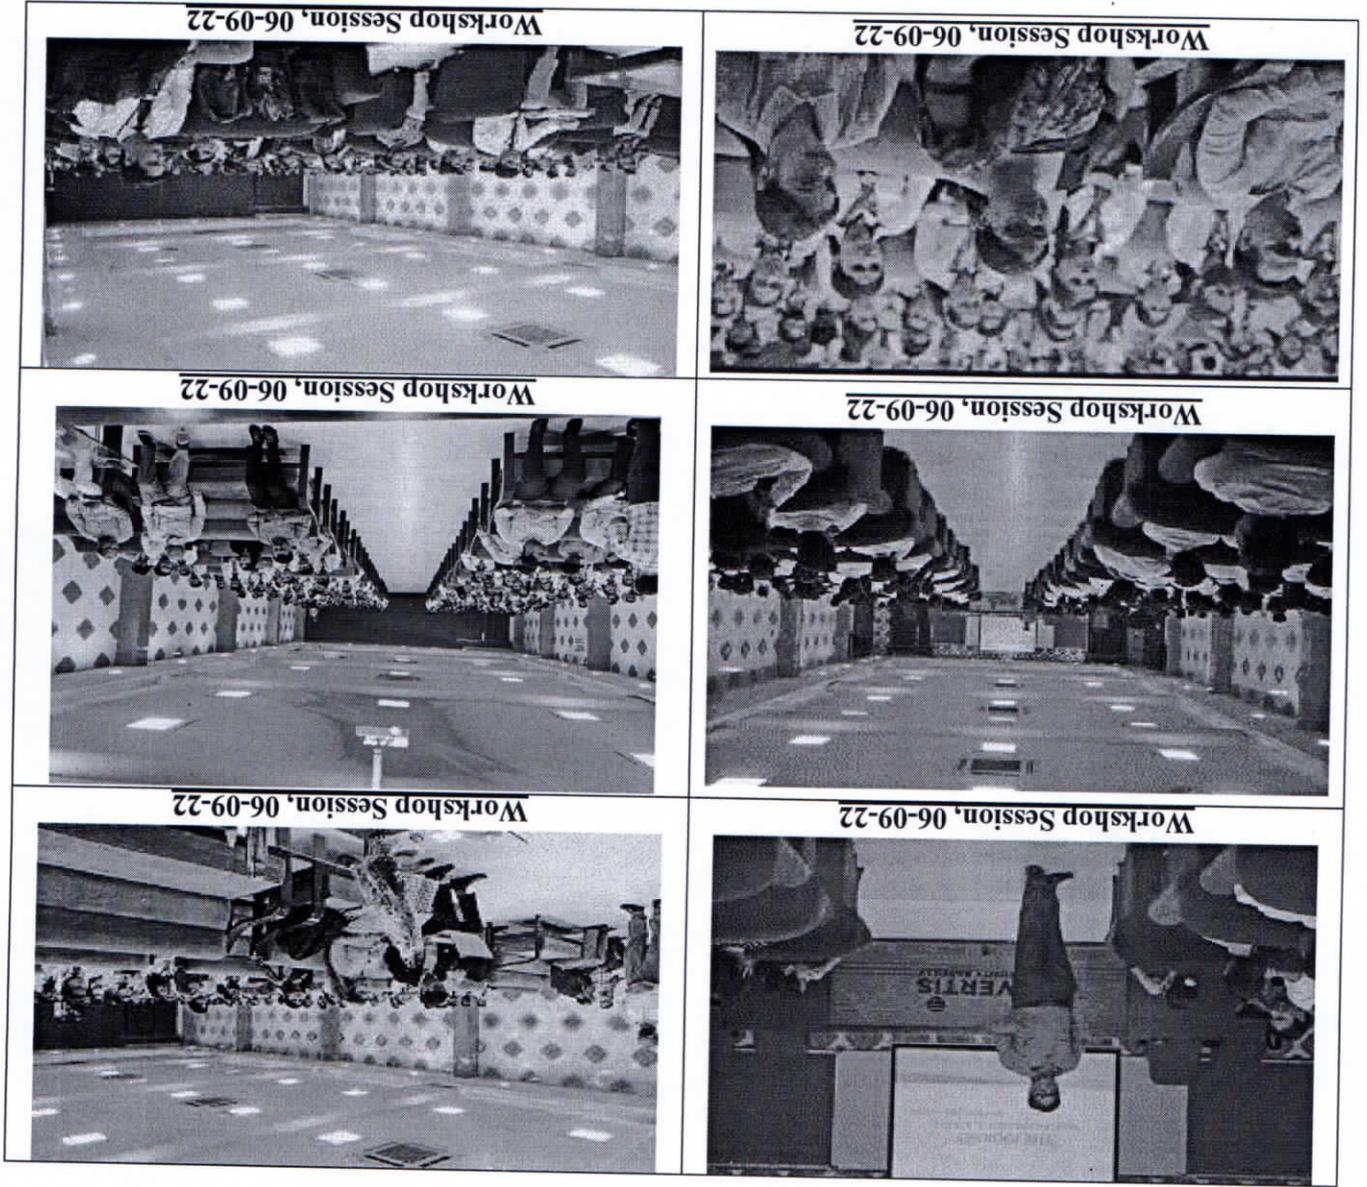

Description:
 The Internal Quality Assurance Cell (IQAC) of Invertis University, Bareilly, organized a one-day workshop on "Strategies for Institutional Excellence" on September 6, 2022. The workshop aimed to provide valuable insights and strategies for enhancing the overall excellence and quality of education and services offered by the university. The workshop was conceived with a singular purpose in mind: to empower the academic community with the tools, insights, and best practices necessary for elevating the university's stature in the realm of higher education.

The workshop commenced with a warm welcome address by the university officials, including the Vice-Chancellor and IQAC members. They emphasized the importance of continuous improvement and excellence in the education sector. Dr. Anand emphasized the significance of quality assurance and international frameworks and best practices. The resource person provided insights into designing and revising curriculum to align with industry needs and global standards. He discussed the importance of outcome-based education.

A total of 106 participants benefited from this event. The list of programs included in this event was inaugural session, talks by guest speakers, Q&A session summarization, concluding remarks, valedictory session and vote of thanks. At the end of the program the convener has taken the feedback from the participants and the key takeaways from the feedbacks from the participants are: Many participants noted that the workshop deepened their understanding of quality assurance in higher education, including the importance of accreditation processes and compliance with national and international standards. Participants found the discussion on curriculum development strategies highly valuable. They appreciated the focus on aligning curricula with industry requirements and emphasizing outcome-based education.

Name of the Cell/Department: Faculty of Engineering & Technology

Academic year: 2022-23

Name of the program: One day National Seminar on "Impact of Climate Change on Surface Water and Ground Water Resources of India"

Date: 22 March 2023

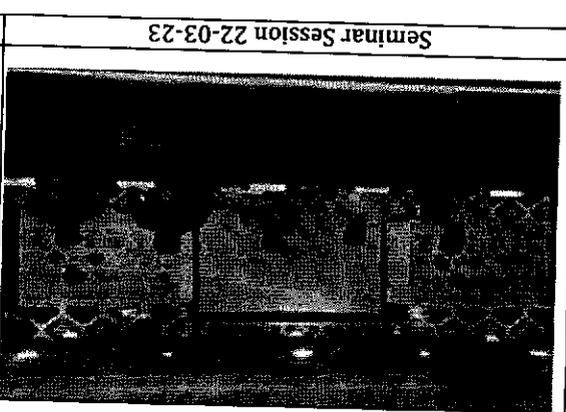

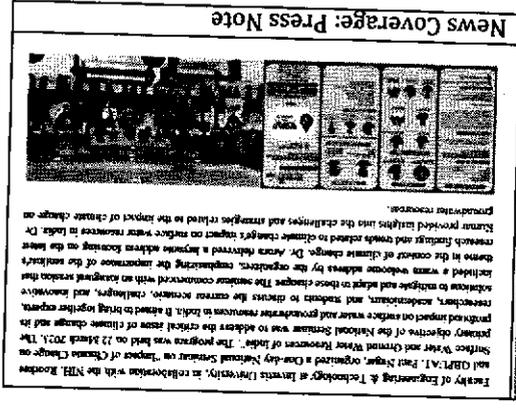

Venue: Seminar Hall-1

Description:

Faculty of Engineering & Technology at Invertis University, in collaboration with the National Institute of Hydrology (NIH), Roorkee and G.B. Pant University of Agriculture and Technology (GPAUAT), Pantnagar organized a One-day National Seminar on "Impact of Climate Change on Surface Water and Ground Water Resources of India". The program was held on 22 March 2023. The primary objective of the National Seminar was to address the critical issue of climate change and its profound impact on surface water and groundwater resources in India. It aimed to bring together experts, researchers, academicians, and students to discuss the current scenario, challenges, and innovative solutions to mitigate and adapt to these changes.

The seminar commenced with an inaugural session that included a warm welcome address by the organizers, emphasizing the importance of the seminar's theme in the context of climate change. Dr. Arora delivered a keynote address focusing on the latest research findings and trends related to climate change's impact on surface water resources in India. Dr. Kumar provided insights into the challenges and strategies related to the impact of climate change on groundwater resources.

A total of 106 participants benefited from this event. The list of programs included in this event was Welcome of the guest and invitation for the lamp lighting with dignitaries, Distribution of token of love to the guest and dignitaries, talk by the guest speakers, Q&A session summarization, concluding remarks and vote of thanks. At the end of the program the convenor has taken the feedback from the participants. The key takeaways from the feedback of the participants are: Participants noted that the seminar significantly enhanced their awareness of the multifaceted impacts of climate change on surface water and groundwater resources, Attendees appreciated the insights shared by Dr. Manor Arora and Dr. Deepak Kumar, which provided a comprehensive understanding of the subject matter.
